—OF—

HARDY · ORNAMENTAL · TREES,

SHRUBS AND PLANTS,

—OFFERED BY—

WM. H. HARRISON & SONS,

WYOMANOCK NURSERIES,

LEBANON SPRINGS, N. Y., U. S. A.

SEASON OF 1895-6.

LOCATION—FACILITIES.

Our situation is high in the Taconic Mountains, at the noted summer resort of Lebanon Springs, in the famous Hudson River Fruit Belt. The L. S. R. R., crosses our grounds a few rods from the station, and gives us, with its connections, rapid communication with the large inland and seaport cities. Express Co.'s have granted our stock low, special rates. Shipments are made by express or freight, as ordered. Small packages may be sent by mail if postage is received with order.

STOCK—SEASON.

Only good, vigorous plants, true to name, sent out. Mistakes cheerfully rectified. We do not substitute unless so directed. Shipping season April 1st to June 1st, and September 1st to November 15th.

PRICES

Include stock packed and F. O. B., when our responsibility ceases. We do not prepay. Boxes charged at slight cost only. Claims, if any, must be made within 10 days after receipt of stock, when bills become due unless by special arrangement. From unknown parties, cash with order or satisfactory reference is required. Remittance should be made by money order on Lebanon Springs or draft on New York or Boston, and foreign remittance by International Post-Office orders on Pittsfield, Mass., or drafts as above. Checks accepted from known parties.

General List.

Five at 10, 50 at 100, and 500 at 1,000 rates.
Tr—Fine transplanted. N—Nursery grown. All others collected.
*—Indicates sorts also well adapted to water-side planting.

DECIDUOUS TREES.
